

Peer Review Session

Reviewer Guide

Complete this sheet for your reader. Write one sentence per question. Be as direct and specific as possible.

Document for review (circle one): **Assessment / Syllabus**

What is the course context? (e.g. grad/undergrad, level of study, potential students, other important situational factors)

What is the disciplinary/thematic area of your course?

For assessments: What are the course learning outcomes that are associated with this assessment?

For syllabi: What do you want your students to learn (overall course learning outcomes)?

What are two specific areas that you want to receive feedback on today?
